

The Green Room

父親與我攜手打造這間特色餐廳，這故事要從我的家人在敗仗後，逃難到金三角緬甸說起。父親在飽受飢餓的小鄉村長大，奶奶需要獨自扶養十個小孩。身為長子的爸爸，扛起這個家的重擔，從小與奶奶一塊照料全家起居，並跟奶奶學了一手好廚藝，以家鄉的雲南料理融入泰北佳餚，創造出全新的風味。爸爸在金三角的這段序曲，是開啟這家店的金鑰，堅持使用當地食材，如奶奶做的一樣，用最純粹的食材撫慰人心，品嘗它最原始的風味

I started up this restaurant with my father, and the story begins with the war that threatened my family so they fled from Yun-an China to settle down in Chiang Mai, Thailand. My father grew up in the village that was suffering with hunger and lack of opportunities. My father's mother had to bring up 10 children with no help, harvesting food with her bare hands to feed her children. My dad, being the oldest, had to help my grandmother prepare food in the kitchen, and that's how he learned how to cook merging their traditional Yun-an Chinese cuisine with the newfound ingredients of Thailand. We use the local ingredients, just as my grandmother did, to touch peoples soul, reminding each of us how to be a human, and opening a door to understanding the importance of growing your own food.
